

Have a Photogenic Pet?

Enter the Sauk County Humane Society 2025 Calendar Contest!

Does your dog strike a pose when you bring out the camera? Does your cat smile when you say "cheese?" The Sauk County Humane Society is currently accepting photo entries for our 2025 calendar. **One lucky winner will be chosen for the highly coveted cover photo** and twelve others will be selected as a "Pet of the Month." Entry fees and calendar sales all benefit the homeless, abandoned, and mistreated animals served by the SCHS every year.

Winners win bragging rights, and the satisfaction that comes from helping animals in need.

THE FINE PRINT: Only photographs of companion animals will be selected. **Pictures submitted must be landscape layout or able to be cropped landscape.** All animals must be depicted in a humane and dignified manner. No prong or choke collars. SCHS promotes indoor only cat ownership. No photos of cats outdoors, please. We will accept 4X6 inch prints or larger but prefer high resolution photos by email, CD, MMC or SD card, or flash drive. Photos can also be submitted via Dropbox. Digital entries must be at least 300 dpi and 2550 x 2550 pixels to be considered. We cannot accept black and white or Polaroid images. If your entry was taken by a professional photographer or commercial studio, you must mail a signed copyright release to the SCHS. All entries must be received by the SCHS no later than June 30, 2024 to be considered. Photos become the property of SCHS and may be used and/or altered for the 2025 calendar and for other fundraising efforts. You will be notified ONLY if your photo is chosen for the cover or as a Photo of the Month.

Tips for taking a great pet picture:

- The animal should be in a neutral setting looking at the camera, preferably at eye level. Don't distract the focus of the picture, your animal, with a heavily cluttered background.
- Landscape photos have a much better chance of being selected than portrait.
- If your animal is dark colored, take the photo in front of a lighter background.
- If your animal is light colored, take the photo in front of a darker background.
- Photos representing the changing seasons are desired. **Natural light is better than flash.** It might take many photos to get the perfect shot, so start clicking!

Please mail photos, completed entry form, and your payment by June 30, 2024 to: SCHS 618 Linn St. Baraboo, WI 53913 OR adminassistant@saukhumane.org
